**EC Agenda 44.6:** Future of the KCHR as an Institution
The KCHR currently functions more as a facilitator of research, rather than as an institution capable of promoting new research and conducting new research. In order to take the organization forward in this direction, the avenues that we need to explore are as below:
- Reviving KCHR’s status as a research centre of the Kerala university (5.14 in the RAC Minutes)
- The possibility of developing the KCHR as research institute, that can attract research faculty on a short/long term basis.
- The possibility to develop the institute in a direction that allows it to function independently or by affiliation to a university, in the way that the CDS currently works. The process can begin through certificate courses. A Committee may be appointed to look into these matters.

The EC decided not to have a Committee to look into these matters. Current academic activities should continue. Short and long term training programmes and workshops may be conducted. Short term courses like the proposed Certificate Course in Epigraphy may be conducted. The EC opined that conferring degrees is not practical.

**EC Agenda 44.7:** Identifying a suitable space for the headquarters of KCHR
On 8 May 2019, the KCHR Chairperson was invited to a meeting called by the Hon. Minister for Culture in which the Hon. Minister for Education also participated. As the Vyloppilli Samskriti Bhavan comes under the Ministry of Culture, the KCHR might eventually have to shift out. Under this circumstance, it is pertinent that we try to identify a space that would meet our current requirements and also provide space for the new directions that KCHR envisions for its development in the future.

i. The EC decided to request to Government to find a suitable place in Thiruvananthapuram for the shifting of KCHR from Vyloppilly Samskrithi Bhavan

ii. A Committee with the Director, KCHR, Dr. D.K. Satish, Deputy Director, Collegiate Education (deputed by Higher Education
Department) and the Finance Officer, KCHR should inspect the campus of the Blind School, Jagathy, Thiruvananthapuram which is lying vacant now to assess its suitability for KCHR.
